

365 DAY PLAN

Reading The Bible Together

The New Testament

FREEDOM COMMUNITY CHURCH

Introduction

Making the most of your daily readings

We believe that The Bible is the inspired Word of God, and reading it provides guidance and direction in how to live in the fullness of life that Jesus offers us.

When we read it together, it helps us grow as we can encourage one another with what we've read, knowing we're reading the same passage as each other and learning together. God has gifted us to each other and placed us in a church so we can be strengthened by our church family.

This year we will be reading through The New Testament together, using the PRESS reading guide.

Pray - ask God to speak as you open the Bible. The prayer can be as simple as "Lord, please speak to me as I read Your Word today."

Be ready for your eyes to be open to see new things in the passage you read. It may be as you read your mind starts racing, or gets distracted. Pray that God will help you focus on what He wants to show you in today's reading.

Read - read the chapter or passage for today. It may be helpful to read it through twice. You could try listening to it being read on the Bible App.

Encounter - Which verse or section is God drawing your attention to? Which words or phrases feel like they jump out at you? You may want to highlight this, underline some words or write it on the notes page to think about throughout the day.

Summarise – think about the encounter verse and use it to summarise today's chapter. If you were to summarise what got your attention in a sentence or two, what would it be? As an example, this might very simply be "be thankful" if you had read 1 Thessalonians 5:18.

Or a more specific summary might be; *"God wants me to be thankful. I will live more thankfully today by sending a message to my friend to tell them I am thankful for their friendship".*

Share – share the verse or your summary with someone. For this part it can be anything from making a note on your phone to read later, posting on Social Media or sharing it with a friend/loved one to encourage them with how God spoke to you today.

Each day in 2024 has been assigned a chapter, or less, of The New Testament for us to read so that by 31st December we will have read all 27 books of the New Testament together.

.....

In reading through the New Testament this year, let's do it together. Let's take a few moments each day to read the very words God inspired to be written about Himself and the full life Jesus invites us to live. As we read the Bible let's be ready for God to shape, challenge and transform us, while equipping us to share it with others.
